The well-proportioned layout provides versatile living accommodation ideal for modern family life. Externally, the home benefits from off-road parking and a private rear garden, perfect for relaxing or entertaining.

Upon entering the property, you are welcomed into a central hallway that provides access to the principal rooms on the ground floor. To the front of the home sits a bright and spacious reception room, featuring a large bay window that allows for an abundance of natural light. The room is finished in a neutral palette with contemporary fittings, creating a warm yet modern living space ideal for relaxing or entertaining.

Moving through the hallway, you will find two well-proportioned bedrooms on the ground floor. These rooms offer flexibility for use as guest accommodation, children's rooms, or additional living or office space depending on requirements. Adjacent to these is a modern family bathroom, thoughtfully laid out and conveniently positioned to serve this level.

There is also a separate study, ideal for home working or quiet reading space, along with a wet room that adds convenience and practicality. We are local, family run business who are wholly independent which means we can recommend services to most suit your needs. Our aim is to provide quality advice and expertise at all times, so you can make an informed decision whether buying or selling.

Estate agents are required by law to check a buyers /sellers identity to prevent Money Laundering and fraud. You do have to produce documents to prove your identity or address and information on your source of funds. Checking this information is a legal requirement to help safeguard your transaction, and failing to provide ID could cause delays. Corrie and Co, outsource these checks to speed up the process. The company does charge for such checks, please ask for more information and guidance on associated costs.
