This property presents an excellent opportunity for first-time buyers, small families, or those looking to downsize. With its blend of historical charm and practical living spaces, this terraced house is a wonderful place to call home. The terraced design of this house adds to its charm, whilst residents can enjoy the local amenities and the picturesque surroundings that Walney has to offer.

You step through the front door and arrive directly into the lounge — a warm and inviting space, styled with natural décor and soft grey carpets underfoot. A wood-burning stove sits as the focal point, offering both charm and comfort. Moving through to the dining room, character takes centre stage. The tiled flooring brings a sense of heritage, while French doors at the rear open out onto the yard, drawing in natural light and extending the space outdoors.

Beyond the dining room, the kitchen flows to the back of the property. Here, modern design meets practicality, with sleek cream cabinets and contrasting black worktops giving a clean, contemporary finish. Upstairs, the main bedroom offers generous proportions, ideal for restful living. A second bedroom provides flexibility — perfect for a single bed, a nursery, or a home office. Both rooms are unified by grey fitted carpets and feature wooden doors that add a touch of nature.

The bathroom echoes the home's modern elements, with up-to-date fixtures and finishes completing the property with a polished, cohesive feel.
