The entrance leads into a bright principal bedroom at the front of the property. There is also a second bedroom, a bathroom, and a galley-style kitchen, which benefits from direct side access to the property — a practical advantage made possible by the home being detached. To the rear, you'll find a generous reception room that opens directly onto an exceptionally private garden, creating a true extension of the living space and offering a rare level of privacy for a ground-floor home in London.

Ideally located, the property is moments from the amenities of Northfields, with Elizabeth line
