FLAT

# Carlyle Road W5

£2,100 PCM

This two double bedroom ground floor flat is neutrally decorated with white walls and grey carpet, the living room and bedrooms are spacious and almost square in proportion. There's plenty of room for storage around the period fireplaces in the living room and principle bedroom. The family sized bathroom has marble effect tiles and includes shower over the bath. The kitchen has plenty of glossy white units contrasted with black worktops and stainless steel appliances.

Outside the shared rear garden has a patio leading to the lawn and gets the best of the sun all day due to its southerly aspect.
