Stylish, open-plan family home in a location that puts great schools, easy transport and natural green space on your doorstep.

The main, multi purpose reception room gets the morning light and delivers a bold aesthetic that continues throughout the home. The layout combines traditional qualities with contemporary style, with family comfort at its heart.

The spacious and airy kitchen-diner is flooded with natural light and Crittal style doors lead out to a low maintenance garden that becomes a suntrap during the summer months beneath the palm trees - lovely for entertaining inside, outside or both. There's a garden shed and workroom with electricity, plus outdoor hot and cold taps. The ground floor also features a utility space and WC. A practical home as well as a stylish one. At the top of the property, the loft conversion is a roomy dual aspect bedroom with good storage space. The bedrooms on the lower floor are also doubles, each with its own character. The family bathroom features contemporary fittings, a freestanding bath and separate shower.

Oakdale Road is a welcoming residential street with friendly neighbours, close to well-performing local schools including Norlington and Newport, and numerous nurseries.

You're around the corner from Frances Road which is buzzing with independent shops, bars and delis including Marmelo Kitchen, Morny bakery and Yardarm for delicious food and wine. And great local pubs including the Red Lion, The Northcote, Heathcote & Star and The Filly Brook. Transport links are excellent with just a short walk to Leytonstone tube and Leytonstone High Road Overground stations making central London and the City easy to reach, also Queen Elizabeth Park and the mega shopping at Westfield Stratford City. It's a rich area for natural green spaces with beautiful local parks, Hackney Marshes, Wanstead Flats, Epping Forest which is on the doorstep, Wetlands and Hollow Ponds. Shall we take a look?
