Description

Currently set up and laid out as the original pub the property offers great potential. Boasting accommodation of nearly 2,000 sq. ft. with an open plan area incorporating the main bar and seating area including two feature fireplaces. A commercial style kitchen sits behind doors and a cellar offers great further potential. The original toilet block still is in place that gives options given the water and waste connections existing.

Upstairs is set up as the original publican accommodation and offers three very good sized double bedrooms and a similar sized shower room. All areas have aspects of the original building including exposed floor boards and fireplaces.

An external useful store and enclosed courtyard garden offer great potential also.

Planning & Potential

Planning has been granted for the pub to be converted to two semi detached three bedroom homes. The plans are on the marketing and offer stylish open plan living areas incorporating current features of the property. Both plans offer downstairs cloakrooms, living dining kitchen spaces and offer three good sized bedrooms. One is slightly larger than the other offering an additional utility room and ensuite to the main bedroom as well as the family bathroom. This one also offers access to the cellar for further uses.

The vendor also informs us that she has had good conversations with the planning department at Tonbridge & Malling about changing the plans to become a single larger dwelling offering four bedrooms which they would be open to if new plans were to be submitted and agreed.

So this is a rare opportunity to look to develop a flexible characterful space to become a dream home or homes that would offer a unique solution to anyone's needs.
