11'9" x 11'5"

Contemporary and well-appointed, the Kitchen features a practical layout with ample cupboard storage and integrated appliances including a dishwasher, oven, combination microwave / grill, warming drawer, induction hob, fridge freezer and integrated recycling bin. These are all set against a backdrop of light cabinetry and wood-effect worktops. A central island provides extra preparation space and storage, complementing the room's light wood flooring and recessed ceiling lighting. The kitchen opens directly into the Dining Room, creating a sociable and functional space, with easy garden access through the French doors. It also offers access via a stable door to the side for easy access to the garage.

WC

The ground floor WC features a modern, compact suite with a floating sink and toilet set against a tiled splashback. A small window provides natural light, with neutral décor enhancing the fresh and clean feel of the space.

Study

12'5" x 10'1"

The study is a versatile space benefiting from natural light through a generous window overlooking the front of the property. It is currently arranged as a home office and music area, currently set up with plenty of shelving and space for seating or desks, making it ideal for working from home or pursuing creative hobbies.

Landing

The Landing on the first floor is bright and airy, with a light grey carpet underfoot and a window to the side. It offers access to all bedrooms and the family bathroom and features a balustrade enclosing the stairwell, adding to the open, spacious feel of the upper level. It is spacious enough to be set up for an additional study area.

Laundry Room

This handy Utility Room is neatly arranged with fitted cupboards providing excellent storage for laundry essentials. It includes space for both a washing machine and a tumble dryer, all finished with tiled flooring and a window to bring in natural light, creating a practical space for household chores. Plumbing is also provided for a water softener that is available via separate negotiation.

Master Bedroom

15'4" x 11'0"

The Master Bedroom is a generous double room filled with natural light from a large window overlooking the garden and surrounding trees. It features wooden flooring and neutral décor, with ample space for a super king-size bed and two built in wardrobes. The room benefits from access to a stylish En suite bathroom with modern fittings and a walk-in shower, creating a private and comfortable retreat.

En suite

The En suite shower room to the master bedroom has a contemporary design with beige tiled floors and walls in part, featuring a walk-in glass shower, a vanity unit with an inset basin, and a toilet, all finished to a high standard to create a private bathing space. It benefits from under floor heating.
