Description

Set off a private lane this fabulous family home is both unique in its layout and offers everything a family needs in our opinion. Space is readily available as the property boasts six of everything, bedrooms, receptions and bathrooms.

A large gravel drive receives you into the plot with plenty of parking for the family and guests including a double garage. Two separate entrances are apparent to the main house and added annexe for those looking for multi generation living or simply space for visitors. The main home has a study, large sitting room with stunning inglenook fireplace and bifold doors to the lovely garden. A family room that is open to the stunning kitchen and light orangery addition. All serviced by cloakroom, utility room and walk in larder. An additional reception room sits to the front of the house that can be incorporated into the annexe or the main house and offers an internal connection between the two. This could also become a downstairs bedroom if needed with a shower room also provided.

Upstairs the main part of the house is accessed by two staircases, one from the main hallway leads into a landing giving access to two spacious bedrooms. One has ensuite facilities and the other access to a separate full bathroom off the landing. The second bedroom off this landing does offer a doorway into the main suite although this has its own staircase from the ground floor hidden through the walk in larder area. This staircase gives access to bedroom with ensuite plus a laundry room which is a great design being in situ next to the bedrooms. The main principal suite is all it should be with a substantial bedroom leading into a dressing room and walk in wardrobe. Its own ensuite with double sinks, walk in shower and bath.

Annexe

The annexe has its own private door and can be accessed via the internal reception or bedroom through the main house. Truly a stunning two bedroom annexe which is a great solution for those families coming together to live. Its own entrance lobby with access to downstairs shower room and entry into the main living room with bifold doors to its own private garden area. The open plan living space has all that is needed including a well proportioned modern kitchen and dining space. Its own staircase leads upstairs to its own private landing and with two double bedrooms and a bathroom.

External

The wrap around garden offers great family space and is mainly laid

to lawn. Lots of storage with sheds and outbuildings with covered dining areas and social patios within this private garden. The annexe has been designed to offer its own garden space although fully connected. Mature planting and landscaping offer a peaceful haven for the full family. Overall the main building sits in approx. 1/2 acre.

Separately, for additional negotiation the vendor is offering the opportunity to purchase up to 2.6 acres of paddock directly to the rear of the house indicated in the photos. This has previously been used as a horse paddock and for those looking to locate with a horse a real option. Access is easily made down the side of the house.

We cannot wait to show you round this fabulous home that is rarely available and we strongly recommend an internal viewing via our accompanied service from our West Malling High Street office.
