

St. Mary Road, Walthamstow, London

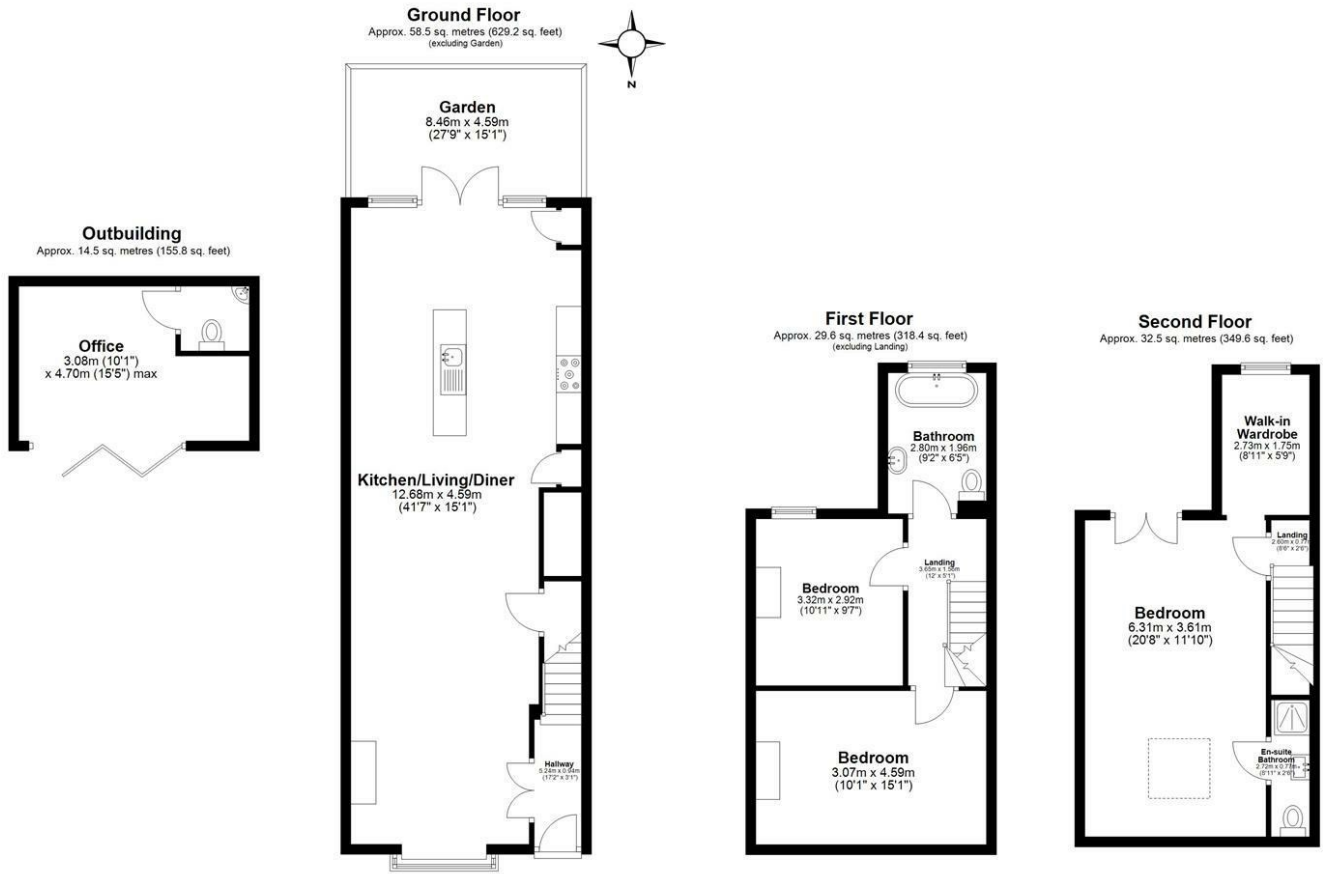

A beautifully renovated Victorian Home in an idyllic central location.

This brick fronted, three-bedroom terraced house has been expertly refurbished and extended with stylish décor and high-end fixtures and fittings throughout. The ground floor is completely open plan and would make the ideal space to entertain guests and spend time with family. Engineered wooden floors cover the entirety of the impressive living area with a square bay to the front featuring wooden sash windows, an exposed brick feature fireplace and aluminium Crittall style doors that lead out to the garden. The kitchen has been tastefully designed with dark grey cabinets and a sleek white quartz worktop whilst also benefiting from a large gas hob and integrated appliances.

The first floor has two welcoming double bedrooms, the front with stripped wooden floors and sash windows and both with a charming, exposed brick fireplace as well as the stunning family bathroom. The inviting freestanding bathtub is perfectly complemented by a separate walk-in shower, with a brass rainfall showerhead and green metro tiles. The top floor has been brilliantly converted to create the main bedroom with an exquisite ensuite shower room and an additional walk-in wardrobe, office or nursery space. Outside is an easy to maintain, south facing rear garden of approx. 30ft that sees lots of natural sunlight as well as super useful home office/gym complete with additional kitchen units and W/C.
