Hurst are delighted to bring to market this visibly attractive, three bedroom detached property which is extremely well presented and is offered in good condition throughout. This superb property that has been tastefully decorated and improved upon by its current owner not only provides a turn key ready to move in home, but also comes with an envious rear garden that stretches beyond 100ft in length and would clearly lend itself to a rear extension subject to obtaining the relevant planning permissions. The property is situated just a short walk of the quaint village of West Wycombe which offers an array of shops, butchers and pubs, along with miles of countryside walks on your doorstep. The accommodation comprises; entrance hall, fitted kitchen/breakfast room with door leading to rear garden, lounge which is double aspect and comes with a brick feature fireplace, dining room which again is double aspect and comes with a gas fire, to the first floor there are three bedrooms of which the two double bedrooms both have restored and renovated fireplaces and a family bathroom. The property further benefits; recently replaced stone driveway, gas central heating boiler, double glazed, a stunning rear garden that comes with a decking, slate patio and shingle area that is perfect for entertaining, is over 100ft in length and gives a real secluded feel, as well as providing a large storage shed. This really is a superb family home which is in the catchment of West Wycombe combined school, Wycombe High School, Royal Grammar School, John Hampden Grammar School & Princes Risborough Upper School. An internal viewing is highly recommended and the property is offered to the market with no onward chain.
