Hurst are delighted to bring to market this three bedroom, semi-detached home that has been well cared for over the years, but does require a small degree of redecoration and modernisation throughout. This popular family home is positioned towards the end of this quiet cul-de-sac and provides a sizeable and South facing rear garden which is roughly 100ft in length and fairly secluded. There is also plenty of room to potentially add a rear extension or loft conversion (subject to obtaining the relevant planning permission) and the property also offers excellent access to the superb local schools, benefits from far reaching views over the valley, and offers miles of countryside walks on your doorstep, across West Wycombe and Downley Common. The accommodation includes; entrance hall with understairs storage cupboard, large sitting/dining room with bay window to front and rear aspect, fitted kitchen with door opening onto the rear garden, three bedrooms and family bathroom. The property also benefits from; double glazing, gas central heating, enclosed rear garden that comes with a good size patio, side access, door to the detached garage, summer house, green house and a large lawn area with various, mature borders and plants. We expect this property to react extremely well and would recommend that you and make an early booking to avoid disappointment. The property is also offered to the market with no onward chain.
