

***** Building plot / Extension potential

Hurst are delighted to bring to market this exciting opportunity for anyone that is looking to build their own home or that would just be interested in extending the current bungalow that currently sits on this plot. Plans have been drawn up and permission passed (see plans in images) for a substantial family home to be built in this popular location on the outskirts of the town / Penn & Tyler's Green, that sits on a large plot, providing fantastic views across adjacent fields / Valley and comes with a South-West facing rear garden. There have been a number of properties in the road that have undergone similar changes and an array of new builds in recent years that have sold for prices in the region of

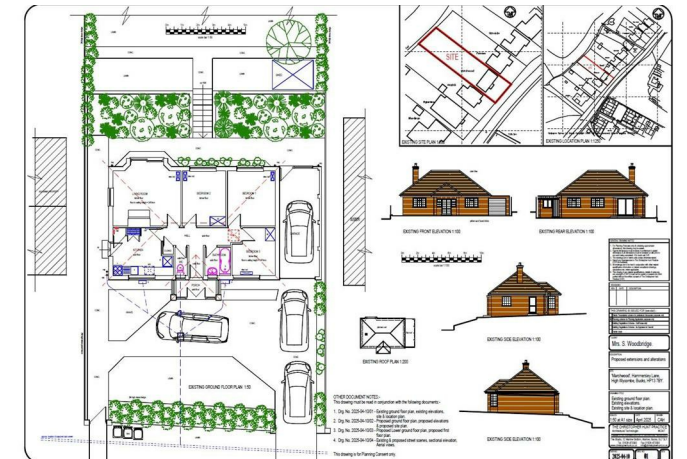

1.1m - 1.3m. Situated to the East of High Wycombe's

town centre and close to Popular villages, this site provides the new owner with a perfect blend of rural living and convenient access to transport networks that include **JOINTMENT FOR SOME GREAT SCHOOLS** & High Wycombe train station, of which the latter provides a direct line into London Marylebone. This really is an exciting opportunity that comes with no onward chain and an early viewing is highly recommended.
