

29 Norwood Road, Loudwater, High Wycombe, Bucks, HP10 9UU

Hurst are pleased to bring to market this extended, two-bedroom, semi-detached family home that is situated just a short drive of junction 3 of the M40 and is located in the catchment for the excellent Loudwater combined school. The property does require a degree of redecoration and modernisation throughout, although, it does now benefit from a first floor bathroom and would appear to lend itself to a further rear single/double storey extension, subject to obtaining the relevant planning permission.

The accommodation comprises; entrance hall, sitting room, guest cloakroom/utility room, fitted kitchen/diner with door to side access, study/playroom, two double bedrooms and family bathroom. The property also benefits from gas central heating, UPVC double glazing, large driveway parking, enclosed and level mainly laid to lawn rear garden which is a good size. This really is a great family home and we'd recommend an internal viewing, the property also comes to market with no onward chain.

As well as being just a short drive of the M40, the property is also equal distance from Beaconsfield & High Wycombe train stations making it great for those looking to commute to London with a direct line service into London Marylebone.
