Offered in immaculate condition following a recent refurbishment, this charming one-bedroom flat sits on one of Holland Park's most sought-after streets. The light-filled open-plan reception room centres around a handsome period fireplace and flows seamlessly into a sleek modern kitchen, all finished with stone flooring. There is also a generous double bedroom and a contemporary travertine-style shower room. Outside, a private patio provides a lovely spot to relax, while residents also have access to the stunning communal gardens, a true rarity in central London.

Lower Addison Gardens is a picturesque tree-lined street, just moments from the cafés, shops and transport links of Holland Park Avenue. Holland Park itself is on the doorstep, and the property is ideally placed for the A4, Shepherd's Bush and the extensive shopping and leisure offering of Westfield London.
