Lexham Gardens, Kensington

£150,000

Unique Lower Ground Floor Space in Prime Kensington Location

Situated on the highly sought-after Lexham Gardens, this compact lower ground floor space presents a rare opportunity to acquire a property interest in one of Kensington's most desirable garden squares.

The accommodation comprises a well-presented and versatile internal area, offering a range of potential uses subject to all necessary consents and permissions. The space is neatly arranged and benefits from an attractive setting within an elegant period building on this prestigious residential street.
