## The Heron Building, 5 More Street, City

£715,000

The Heron is an iconic residential development in the heart of the City of London, offering an exceptional blend of modern design, premium facilities, and sustainable living. Each apartment has been carefully designed to maximise light and space, with floor-to-ceiling glazed corners creating bright interiors and far-reaching views across the London skyline. Sustainability is central to the development, with an energy-efficient combined heat and power system supplying heating, cooling, and hot water, complemented by solar-shading balconies that help regulate internal temperatures.

Residents enjoy an impressive collection of exclusive amenities, including a 24-hour concierge, a landscaped roof terrace, a private residents' club with a bar and café, a fully equipped fitness suite, private cinema, and dedicated meeting and dining spaces for business or entertaining.

The development also houses the internationally acclaimed Guildhall School of Music & Drama, adding a unique cultural dimension to an already
