GENERAL INFORMATION

These particulars are produced in good faith, and are set out as a general guide only, they do not constitute part or all of an offer or contract.

The measurements indicated are supplied for guidance only and as such must be considered incorrect. Potential buyers are advised to recheck the measurements before committing to any expense. No apparatus, equipment, fixtures, fittings or services have been tested and it is the buyer's responsibility to seek confirmation as to the working condition of any appliances.

As the agent we have not sought to verify the legal title of the property and verification must be obtained from a solicitor.

Fixtures and fittings that are specifically mentioned in these particulars are included in the sale, all others in the property are specifically excluded.

Photographs are produced for general information and it must not be inferred that any item is included for sale within the property.

MATERIAL INFORMATION

Material information is no substitute for professional advice, and consumers should be aware that the information collected may not accurately reflect the full extent of the property condition which would be covered through a home survey.

Efforts have been made to ascertain as much information as possible with regard to material information but this information is not exhaustive and cannot be fully relied upon, purchasers will need to seek further clarification from their legal advisor.
