## Rent to Home Full details

### Your journey from Rent to Home

Rent to Home has been designed to support First Time Buyers get a step on the property ladder, specifically those who can afford to rent, but are unable to save a deposit to purchase a home.

If you're successful, you'll be able to rent a newly refurbished property from us under the Rent to Home scheme for up to three years. During this time, if you're ready to purchase your own home, 70% of the rent paid will be returned to you to help with your deposit.

The return of 70% relies on you taking a mortgage with The Cambridge and vacating the rental property within three years from moving in.

To demonstrate our commitment to helping those in our heartland and our many loyal members, the scheme has a series of criteria – read on to find out more:

### Applicant, criteria, and ballot requirements

To ensure we're helping those who really need our help, the Rent to Home scheme comes with its own set of criteria.

- **You must be a First Time Buyer** - You'll need to fit HM Treasury's definition of a First Time Buyer. A first-time buyer is someone who has never owned freehold or leasehold interest in a dwelling before and who is purchasing their only or main residence. Residential property, land and interests in property and land anywhere in the world is considered when determining whether someone is a first-time buyer. Where there are joint purchasers, all purchasers would need to be first-time buyers
- **You must have a connection to our heartland** – You must live, work, or have a close relative living within a 15-mile radius of our branch and store network
- **You'll need to become a member of The Cambridge** – Upon your application being successfully drawn you'll need to become a voting member of The Cambridge – to do this you'll need to open a savings account with £100
- **You must have a modest income** - We have a cap on the salary requirements of applicants for the Rent to Home scheme to make sure rental payments are affordable for applicants and we're helping those with lower salaries. The cap is a minimum income of £40,500 for sole and joint applicants, and a maximum income of £60,000 for sole applicants and £80,000 combined income for joint applicants

### Rental amounts and values returned to support with your deposit

#### Rental amounts

The rent for our Great Shelford properties will be £1,350 per month per property. This rent will be due in accordance with the Tenancy Agreement.

A Rental Security Deposit of £1,350 will be payable to our Lettings Agent upon signing the Tenancy Agreement.

To be eligible for the rental return you'll need to stay in the rental property between 1 and 3 years and comply with the terms of the Tenancy Agreement. If during this time, you're in a position to purchase, your Cambridge Relationship Manager will be on hand to support you through getting a mortgage and purchasing your first home. If you stay in the rental property for over 3 years; you will no longer be eligible for the rental return.

During the annual cycle of the tenancy agreement the rental value will be reviewed. We will always aim to keep the rental value at market rate rent.

#### Values to be returned

70% of the rent will be returned to support you with the deposit for your first home if you take a mortgage out with The Cambridge and you vacate the rental property within 3 years of the Tenancy Agreement commencing.

An example of how this may be calculated for someone renting for the maximum time is:

The lucky applicant rents our rental home at the market rate of £1,350 per month.

They rent the property for up to three years, and we keep a percentage of their rent payments safe.

Prior to three years, they vacate the rental property, and we return £34,020 to use towards the deposit for their mortgage with The Cambridge.

If you take a mortgage out with another lender due to The Cambridge being unable to support you, 50% of the rent will be returned to support with the deposit for your first home on the condition that you vacate the rental property within 3 years of the Tenancy Agreement commencing. You will not be eligible for a rental return if you remain in the rental property for over 3 years.

If you do not purchase a home within 3 years of renting the property or you fail to vacate within 3 years of the Tenancy Agreement commencing none of the monies will be returned.
