The Manor House

Middle Street, Thriplow, SG8 7RD

A substantial Grade II Listed detached Elizabethan manor house of great historical importance and immense charm and character.*

This splendid country residence has been sympathetically improved and extended in more recent times and retains many fine original features including a wealth of exposed beams and timbers, Inglenook fireplaces, panelled walls to the principal reception room and enjoys its own unique and rather special ambience. The property provides versatile and well-proportioned accommodation extending to about 6238 sqft together with beautiful mature grounds of just over 10 acres and range of outbuildings including a parcel of land of 0.4 acres with the benefit of implemented planning consent for the erection of a detached dwelling of approximately 3,600 sqft.

The property is being offered for sale as three lots, available separately or as a whole.

The Manor House occupies a wonderful position with the highly sought after and picturesque village of Thriplow, famous for its annual daffodil weekend and large village green. Thriplow is one of South Cambridgeshire's most desirable villages with its own fine church, primary school, inn and stores/post office. The village is conveniently placed just 6 miles south west of the university City of Cambridge. For the commuter the nearest M11 motorway access point is situated just 2 miles away at Duxford (Junction 10) and there is a main line station close by at Whittlesford.
