A unique and rather special opportunity to acquire an impressive, and most attractive Grade II listed detached period village house of immense charm and character believed to originally date back to the mid 17th century. This substantial residence has been sympathetically improved in more recent times and provides exceptionally well proportioned and versatile living accommodation together with a wealth of character features including exposed timbers and fine fireplaces. In addition there is also a self contained cottage attached to the main house with its own courtyard style garden. Furthermore there are delightful mature grounds which include private secluded gardens, orchard, vegetable garden and picturesque lower garden with pond and wooded spinney. In all extending to approximately 1.6 acres and including a long private driveway, double garage and storage buildings.

LOCATION

The property occupies a prominent position in a conservation area, right in the heart of this highly sought after and most desirable South Cambridgeshire village. There is a village stores/post office just a short walk from the house itself, a village hall and two churches. The larger villages of Comberton and Bourn are approximately two miles equi-distant and offer more extensive amenities including Comberton Village College which is rated outstanding by Ofsted. There is also a Meridian Golf Club located towards the edge of the village and Bourn also has a golf and country club with spa and gym. The university City of Cambridge is just eight miles away and the village is also well placed for the commuter with easy access to major routes and main line stations.

OUTSIDE

To the front of the property there is a delightful garden area which is principally laid to lawn on two levels with a great variety of mature shrubs, well stocked borders and trees and hedgerow around, tiled pathways lead to the front entrance door and there is a 5-bar gate to side which provides access to the long pebblestone driveway. Just off the driveway there is a recessed area with oil storage tank and further bin store, timber storage shed and either side of the drive there are various shrubs and mature hedgerows. The driveway in turn leads to a courtyard style parking and turning area and a DOUBLE GARAGE with light and power, up and over door, rear access door to a further courtyard style area and open bay GARAGE/STORE.

Immediately to the rear of the property there are most attractive gardens which are a rather special feature and enjoy a high degree of privacy and seclusion. The gardens are principally laid to lawn with a variety of mature shrubs, bushes, trees and well stocked borders around. Immediately adjacent to the house itself there is a large brick paviour terrace with external lighting. A trellis and archway leading to a further secluded garden area which is adjacent to the courtyard style parking and turning area. From the open bay garage/store there is a further pathway with hedgerow to either side and lawn which leads to further mature gardens and large storage shed, access from this area leads to a vegetable garden with several vegetable beds and fruit bushes. Access to further pathways and a secluded garden with mature hedgerow surrounding, borders to side and access to the far end of the land where there are gardens in a more natural state laid to lawn with a great variety of trees, shrubs and bushes around and this in turn leads to a large pond surrounded by lawned areas and reed beds and this backs onto farmland and countryside. It almost feels as though this area of the garden is more akin to a "secret garden" and is surrounded by very fine tall mature trees and really does provide a haven of tranquillity. In all the grounds extend to approximately 1.6 acres.
