LOCATION

The Old School occupies an idyllic and rather special position right in the heart of the village and the picturesque Church Lane and also partly fronts onto the High Street and overlooks the small and quite delightful village green with its unique Prince memorial which was built in 1932 in memory of William Prince and was commissioned as a resting place for the aged. The building is reminiscent of a small bandstand with original weather vane on top. The most desirable and highly sought after South Cambridgeshire village of Balsham provides an excellent range of local amenities many of which are just a short walk away and include a fine church, stores/post office, delicatessen/coffee shop, primary school, public houses, inn/restaurant and recreation ground with bowls club and children's playground nearby. The university City of Cambridge is just 10 miles away and also within easy reach of Addenbrookes Campus which is on the southern edge of the city. For the commuter the village is well placed for access to major routes including the A11, A14 and M11 motorway. There are also main line stations in Whittlesford, Audley End and Cambridge itself.
