Important Information

All plots at Leaden Hill, Orwell are allocated exclusively for self-build or custom-build homes in accordance with the Self-build and Custom Housebuilding Act 2015. Each completed dwelling must be occupied by the self- or custom-builder as their principal residence for a minimum period of three years from first occupation (the "Protected Occupation Period"). The occupancy restriction will remain in place until the Protected Occupation Period has expired

Stamp Duty Saving

The thoughtfully developed design gives purchasers the opportunity to tailor and refine the home to suit their individual requirements, striking a rare balance between flexibility, convenience, and creative control, something seldom available with standard new-build properties.

In addition, the scheme presents clear financial benefits when compared to buying a completed home of equivalent value. One of the most significant advantages relates to Stamp Duty Land Tax (SDLT). With a conventional purchase, SDLT is calculated on the full market value of the property. In contrast, with a custom or self-build project, SDLT is payable only on the value of the plot, not on the final completed home.

This distinction can represent a substantial saving, enabling buyers to allocate more of their budget towards design development, enhanced specifications, and higher-quality finishes. Combined with the ability to create a home precisely aligned with personal preferences, this approach delivers meaningful value, both financially and in terms of lifestyle

The local convenience store, which also houses a post office, ensures residents have easy access to essential services. For dining and socializing, The Chequers pub offers a warm atmosphere and traditional fare. Personal care needs are met by the on-site hairdresser and nail bar.

Community life thrives around the Orwell Village Hall and Pavilion, which host a diverse array of groups and activities. These include the Orwell Film Club, Hillsiders Line Dancers, Women of Orwell social group, table tennis sessions, and carpet bowls. The village also features a recreation ground equipped with tennis courts and a cricket pitch, providing ample opportunities for outdoor leisure.

Nature enthusiasts will appreciate the proximity to the Orwell Clunch Pit, a designated Site of Special Scientific Interest, offering scenic walks and panoramic views. Additionally, the nearby National Trust Wimpole Estate provides further opportunities for exploration and recreation.
