LOCATION

Fulbourn is one of the area's most highly regarded and well connected villages, positioned just east of Cambridge and offering an excellent combination of traditional village character and highly convenient access to the city and surrounding transport links. The village provides an excellent range of day to day amenities including independent shops, cafés, public houses, highly regarded schooling for a variety of age groups and a strong sense of community, whilst also benefiting from extensive surrounding countryside walks and recreational spaces. The property is particularly well positioned for access to Cambridge city centre, Addenbrooke's Hospital, the Biomedical Campus and Cambridge South Station, together with the A14, M11 and wider commuter network. Fulbourn remains consistently popular with both local and relocating buyers due to its balance of accessibility, village atmosphere and long term desirability.

OUTSIDE**FRONT**

The property is approached off Cow Lane via a dropped kerb leading onto a generous gravel driveway shared in arrangement with the neighbouring property, whilst remaining clearly defined by a combination of boundary fencing and walling, providing extensive off street parking for multiple vehicles.

The driveway extends to the electrically operated up and over garage door, together with a painted timber gate set within rendered brick walling leading through into the beautifully landscaped front garden.

A paved pathway guides visitors to the principal entrance and gracefully wraps around the central lawned area, bordered throughout by exceptionally well stocked beds abundant with mature shrubs, seasonal flowering plants and established trees, creating a striking first impression.

The front garden has been carefully designed to provide a variety of individual seating and entertaining spaces, including a charming pergola style archway with climbing planting positioned over a paved terrace, together with a further patio area ideally positioned to enjoy the attractive front aspect and afternoon sun.

Adjacent to the garage is a raised composite decking terrace providing an additional entertaining space with ample room for outside furniture, together with pedestrian access directly into the garage.

GARAGE

A substantial garage space fitted with power, lighting and electrically operated up and over door, offering excellent versatility for secure parking, workshop use or extensive storage requirements, comfortably accommodating up to two vehicles.

SIDE

A paved pathway continues from the front around to the rear garden, providing practical timber storage areas together with raised planted beds, mature shrubbery and established hedging. There is also direct access into the utility room via a panel glazed side entrance door.

REAR GARDEN

A truly exceptional rear garden enjoying an excellent degree of privacy and a beautifully established setting, thoughtfully landscaped to create a highly functional yet visually striking outside environment perfectly suited towards both entertaining and day to day family enjoyment.

Immediately adjoining the rear of the property is an expansive paved terrace accessed directly via the bi folding doors, creating a seamless transition between the internal and external living spaces and providing an ideal setting for outside dining and entertaining. The terrace continues around to a recessed and partially shaded seating area enjoyed from the dining room, enhanced by a collection of specialist planting ideally suited to the sheltered environment.

Beyond lies a generous lawned garden bordered extensively by beautifully stocked flower beds featuring seasonal planting including alliums and verbena, together with a wide variety of mature shrubs and ornamental planting providing colour and texture throughout much of the year.

A gravelled section positioned beyond the lawn centres around a striking mature silver birch tree and is framed by raised sleeper retained beds, creating an attractive focal point within the garden.

To the far corner is a secluded pergola covered seating area positioned beneath a mature conifer tree, providing a wonderfully sheltered and private retreat. A hardstanding concrete base is also positioned within the garden, ideal for the installation of a garden store, studio or additional outbuilding if required, subject to any necessary consents.

The garden is enclosed throughout by timber fencing and enjoys a particularly mature and peaceful feel rarely found within modern family housing.
