

High Street, Meldreth, SG8 6LA

CHEFFINS

High Street

Meldreth,
SG8 6LA

A sympathetically improved and most attractive Grade II listed detached Period cottage of immense character, retaining its own unique and rather special ambience together with a wealth of exposed timbers and charming fireplaces. The property also has the advantage of most delightful and generous south facing mature gardens which enjoy a high degree of privacy and seclusion together with a gravel parking area/driveway with adjacent detached garage and workshop/store. The property is believed to date back to the 17th century and was a public house for over 200 years until 1901 when it became a private residence. It has been sympathetically improved and extended in more recent times and provides extremely versatile living accommodation with further potential to convert/create additional living/leisure space within the adjoining and substantial single storey barn.

Guide Price £875,000

LOCATION

The property occupies a prominent and most desirable position right in the heart of this highly sought after village, close to an excellent range of local amenities and is conveniently, located about 10 miles south west of Cambridge. The village itself benefits from many amenities including a stores/post office, village hall and fine church. There are also a couple of local farm shops and Meldreth has its own primary school. It's also within easy walking distance is Meldreth's own main line station which is situated on the Kings Cross to Kings Lynn line via Stevenage and Cambridge. The village is placed for access to major routes including the A10 which provides a direct route to both Cambridge and London by car and the village is perfectly placed for both the Cambridge and London commuter.

PANELLED FRONT ENTRANCE DOOR
to:

OUTSIDE

To the front of the property there is a large gravelled parking area for at least 3 cars, with access to the large DETACHED TIMBER GARAGE. The detached timber garage has a workshop area, space for a car and/or storage and a platform accessed by a permanent ladder giving additional storage space. It has power and lighting. There is a pedestrian gate from the gravel parking area directly to the main garden. There is also a pedestrian gate that takes you to the front of the house along a paved pathway with willow screening to give privacy from the road.

The garden has a paved path running along the front of the property which joins up with a paved patio area outside the family/garden room. There is also a central paved terrace and garden pond with a pergola above, perfect for entertaining.

The main gardens have well stocked borders and a great variety of mature trees and shrubs. There is an additional area with vegetable beds, wildlife pond and a garden studio with power and lighting. Compost bin area and storage for timber for the wood burning stoves. There is a greenhouse tucked away at the end of the Barn.

AGENTS NOTE

The property had a full rethatch in 2007 and in 2021 had a partial rethatch (new ridge and liggers, localised repairs, dressing down and replacement of the wire netting). The thatcher was called Peter Gray and he won the South Cambs craft skills award. The property also benefits from planning consent for conversion of the barn under planning references S/2003/04/LB and S/2403/05/LB.
