# The Barn

Croydon,  
SG8 0EG

The Barn is situated within the parish of Croydon, on the favoured south-west side of the city, approximately 13 miles from Cambridge. The original 17th-century barn, together with an adjoining 19th-century dairy, has been extended and skilfully converted to create a substantial detached residence of considerable charm and character, extending to approximately 3,500 sq ft.

Occupying an idyllic rural setting, the property is set back from Lower Road at the end of a sweeping, tree-lined driveway. The delightful gardens and adjoining paddock extend, in all, to approximately 4.15 acres. In addition, a further parcel of conservation woodland, and meadow extending to about 5.9 acres, is available by separate negotiation.
