## LOCATION

Water Lane is a truly distinctive Victorian home, formerly serving as Oakington's village Post Office and now thoughtfully transformed into an exceptional family residence. Rich in history and original character, the property continues to display many of the architectural features synonymous with its period, whilst benefiting from an extensive programme of refurbishment and sympathetic improvement. This improvements include FTTP broadband resulting in speeds up to 1gb as well as underfloor heating throughout the ground floor. The result is a superb blend of timeless charm and contemporary living, creating a home that is both full of personality and ideally suited to modern family life. Water Lane occupies one of Oakington's most desirable positions within this highly regarded South Cambridgeshire village, just a few miles north west of Cambridge. The village enjoys an excellent range of everyday amenities including a primary school, village shop, recreation ground and community facilities, whilst nearby Histon and Impington provide an even broader selection of independent shops, cafés and services. Oakington is exceptionally well connected, offering convenient access to the A14, M11, Cambridge Science Park and the Guided Busway, with regular services to Cambridge city centre, Cambridge North Railway Station and Addenbrooke's Hospital. Combining an attractive village setting with outstanding connectivity, Oakington remains one of the area's most sought after locations.

**OUTSIDE**

A particular feature of the property is the extremely private and thoughtfully landscaped rear garden, designed with ease of maintenance and outdoor entertaining in mind. Immediately adjoining the rear of the kitchen via a set of double glazed doors is an extensive paved patio terrace, providing an excellent space for both relaxation and al fresco dining. The patio is enclosed by low level timber sleeper retaining borders with steps rising to the main garden, which is principally laid to artificial lawn and complemented by a variety of defined planting beds incorporating slate chippings and raised timber sleeper borders, all well stocked with an attractive selection of established shrubs and planting.

Further enhancing the garden is a raised fish pond with glazed frontage and pump system, creating an attractive focal point within the space. To the rear of the garden is a further raised seating area centred around a mature tree, together with a useful enclosed bin storage area which could be converted to add a storage/shed space. The garden is enclosed predominantly by timber fencing and enjoys an excellent degree of privacy throughout, whilst a side access gate leads directly onto the driveway and garage area.

Accessed directly from the sitting room via double glazed doors, the covered side return provides a highly practical and sheltered outdoor space. Finished with decking, enclosed by timber fencing and benefiting from external power points and wall mounted lighting, it offers excellent additional storage or utility space.

The property further benefits from a part shared driveway providing off street parking for multiple vehicles and leading to the detached double garage. The garage is fitted with power and lighting and benefits from an electrically operated roller door.

To the front, the property is approached from Water Lane via an attractive wrought iron pedestrian gate. The front boundary is enclosed by a low level brick wall with formal planting and gravelled areas, creating an attractive approach and enhancing the property's excellent kerb appeal.
