LOCATION

Kedington is a conveniently positioned, attractive and well served Suffolk village. The 14th century Grade I Listed Church of St Peter and St Paul betrays the history of the village, but most of the current residential buildings are from the 16th Century onwards. Significant expansion in the twentieth century has brought excellent facilities including a well regarded butchers, general store and further shops. There is a primary school, public house, a recreation ground and public amenity meadows. More comprehensive facilities are available in the nearby town of Haverhill (around 3 miles). Newmarket is approximately 12 miles north, with the University city of Cambridge approximately 20 miles away. There are mainline rail stations to London at Audley End (around 16 miles) and Cambridge. London Stansted airport is around 30 miles away.
