Opportunity to acquire 0.44 ha (1.09 acres) of residential development land in the sought after village of Little Abington, Cambridge. For sale by private treaty.

£2,000,000

FRONT ELEVATION

LOCATION

LOCATION

The site is located in the village of Little Abington approximately 11km (7 miles) south of Cambridge. The site is located on Church Lane with residential properties to the south and west and an attractive rural outlook across the adjoining paddocks to the north and east. St Mary's Church stands due south of the site on the opposite side of Church Lane.

Little Abington is one of two charming villages making up The Abingtons, a community in South Cambridgeshire. Little Abington holds a coveted status as one of the most sought after villages in the region and was voted one of the 10 best places to live in the East of England by the Sunday Times in 2016.

The Abingtons has a vibrant and thriving community life benefiting from amenities including a primary school, community centre, village shop, public house, recreation ground, sports and social clubs and a plethora of local businesses.

Little Abington enjoys a strategic location with convenient access to Granta Park Campus 2km (1.2 miles) west, the Babraham Research Campus 3.4km (2.1 miles) north west and the Cambridge Biomedical Campus 10.2km (6.4 miles) north west. These campuses are home to companies and enterprises at the forefront of the life science and medical research industry.

Little Abington has good access to major routes including the A11, A505 and the M11. Whittlesford Parkway Railway Station is situated 7km (4.5 miles) west of Little Abington and offers direct services to both London and Cambridge, making the village an exceptionally popular commuter village for residents working in both London and Cambridge.

DESCRIPTION

The property comprises a former farmyard with several obsolete and dilapidated agricultural buildings currently in an unmanaged and overgrown state. The brownfield site assumes a rectangular shape and extends to approximately 0.44 hectares (1.09 acres).

PLANNING

On 14 July 2023, the appeal ref: APP/W0530/W/22/3305104 was allowed and planning permission was granted for the erection of five dwellings and the conversion of two redundant barns to form a detached dwelling and an office following the removal of dilapidated agricultural

buildings and hardstandings at Bancroft Farm, Church Lane, Little Abington, Cambridge CB21 6BQ in accordance with the terms of the application ref: 21/03039/FUL dated 22 June 2021.

The layout, density and form of the development have been carefully designed to integrate with the surrounding area and to create a high-quality development. The additional six new houses and office will create a small new community, sensitive to the character of Little Abington.

SURVEYS AND TECHNICAL REPORTS

Cheffins Planning Department has instructed the following pre-commencement technical reports and would be delighted to assist the successful purchaser with the discharge of conditions:

Archaeology (Condition 3) – an external archaeological consultant has been instructed to produce a Written Scheme of Investigation (WSI) that accords with the requirements of the Design Brief for Archaeological Evaluation that has been provided by the Cambridgeshire Historic Environment Team.

Contamination (Condition 4) – a Phase II Geo-Environmental Assessment was carried out by consultants EPS Ltd to determine if there were any unacceptable risks from contaminated land to future users or the environment. The investigation involved drilling five windowless sample boreholes to collect shallow soil samples and investigate ground conditions. Laboratory analysis identified that the soils present were suitable for use and no further action was required.

Ecology (Condition 5) – a Construction Ecological Management Plan (CEMP) has been carried out by consultants James Blake Associates which should enable the discharge of Condition 5.

METHOD OF SALE

The property is offered for sale by private treaty.

OVERAGE

Offers will be considered with or without overage provisions.

SITE CLEARANCE

As stated in the description, the site is unmanaged and overgrown with a number of dilapidated agricultural buildings. Site clearance will be the obligation of the purchaser.

NEW HOMES

Cheffins New Homes Department has been actively involved with appraising potential development opportunities on the site. Should you wish to discuss any proposals for the site, please contact Sam Harding. Contact details are available in the brochure.

Cheffins New Homes Department would expect to be invited to pitch for the sale of the finished dwellings.
