LOCATION

Saffron Walden is an historic market town with a magnificent Parish Church, numerous period properties and a wide tree-lined High Street. An extensive range of shops, schools, social and sporting amenities are all accessible within the town and the Golf Course and Sports Centre lie on the town's outskirts. Road links to London and Cambridge (16 miles) are accessible at Junctions 8 and 9 of the M11. Train services to London (Liverpool Street - 57 mins) run from Audley End Station about 2 miles away.

Development Opportunity

A prime residential development site set in arguably one of Saffron Walden's most favoured roads, being only a short walk to the town centre, Market Square and the renowned Audley End Estate.

The site measures approximately 0.4 of an acre and currently comprises two detached 2 storey buildings with mature gardens, off-street parking and a block of six garages. Both buildings are divided into x4 one bedroom flats, each with its own gas central heating and double glazing. The first floor apartments enjoy views over the town rooftops towards the impressive St. Mary's Church and spire.

The site provides opportunity for refurbishment of the existing 8 one bedroom apartments. There is also a pending planning permission for the demolition of the existing blocks of flats and outbuildings and the construction of 12 new apartments, with associated parking and access. Full details can be found on the Uttlesford District Council Planning website under Ref: UTT/23/3085/FUL. The application was recommended for approval at committee but a decision will not be confirmed without entering a s106 agreement for the associated

affordable housing element this permission would require (40%). The current vendor does not wish to enter this agreement.
