Roxborough House

The largest property at The Grange is thoughtfully designed to offer flexible accommodation of up to 6 bedrooms plus a standalone self contained annexe.

A grand entrance provides access to three reception rooms, a cloakroom, two storage cupboards and the centerpiece of the home, the stunning fully fitted kitchen with a full range of high specification appliances including a Quooker tap and two full size wine chillers. Across the dual material kitchen island the room transitions into a modern living family area to the rear of the house with a lantern roof light and two sets of double doors to the rear garden. A third set of doors lead into a reception room providing full circulation back to the entrance hall. This well considered design creates the ideal space for entertaining one moment and ability to create a cozy quiet space the next. Separately, there is a dedicated laundry/ utility room for family home practicality.

The first floor includes four bedrooms, three with their own en-suite bathroom and the primary bedroom further benefitting from a generous dressing room to complete the master suite. The beautifully appointed family bathroom completes the first floor accommodation. A second staircase leads to the top floor with a shower room and two 17ft rooms with feature windows. These flexible rooms are equally useful if up to six bedrooms are required or as a dedicated games room.

There is a host of bespoke features and touches throughout the property which are further complimented externally with a porcelain tile patio to the formal garden and raised planting beds in the secluded secondary garden area. Both of which benefit from a southerly aspect.

A driveway for ample parking leads to a double garage with electric up and over doors and an electric car charging point. To the rear the garage has solar PV panels. An external hardwood staircase leads to a self contained 220 sqft annexe. Fitted with a private bathroom and kitchenette this flexible space would appeal as an office, games room or guest accommodation.

Viewing is essential to appreciate the quality workmanship and design on offer.
