PLANNING

Planning consent was granted on the 18th December 2018 for the construction of a 2-storey residential dwelling with garaging, parking, access and associated site works under reference number of 18/01268/OUT.

The vendors made a further application in respect of the reserved matters for appearance, landscaping and layout (reference number 20/00241/RMA) which was permitted on the 30th December 2020.

A further application to discharge condition 3 (materials) with a reference number of 20/00241/DISA was submitted and decided on the 1st February 2021.

Once built the property will comprise on the ground floor, entrance hall, utility, cloakroom, kitchen/breakfast room, dining

room and sitting room. On the first floor there will be 3 double bedrooms, 1 ensuite and family bathroom. Outside there will be a single garage. The square footage will amount to just under 1,800.
