OUTSIDE

To the side of the property there is a spacious driveway leading to a double oak framed cart lodge with a pair of electrically operated roller shutter doors. The cart lodge also has a boarded loft area with light. There is also gated pedestrian access into the garden. The rear of the cart lodge opens into the garden which is south facing and has 2 areas of lawn bordered by well maintained and established planting including attractive maple trees, plum trees and fruit bushes. The garden also contains decking with a timber built pergola, an extensive area of paved patio, together with a large fish pond.

Adjoining the rear of the property there is a garden room which measures 11' x 7'9" and has double glazed French doors and screens into the garden and also has electricity connected. A further benefit is an excellent workshop/store. To the front there is an oak framed veranda leading to the front section of the building which is used for storage and measures 16'5" x 16'4". There is a door then leading into the rear section which is a workshop measuring 18'6" x 16'1". This building has doors into the garden and power and light connected.
