To the first floor are four bedrooms, with the principal bedroom benefiting from an en-suite shower room, together with a family bathroom completing the internal accommodation. Outside, the property features a small front garden, while the rear garden is of a good size and is mainly laid to lawn, with a paved patio area and gated access. The property further benefits from a garage which has been divided into two areas, one providing useful storage and parking, while the other could lend itself to use as a garden room or home office. There is also off-road parking for one vehicle.

The property is offered for sale with no forward chain and viewing is highly recommended.
