Freshwater View is a modern development of apartments located on the River Weaver with fantastic views and walks and conveniently located in the heart on Northwich town centre. Particular mention must be made of the allocated parking space for this property which is conveniently located right outside the entrance to the block and visitors parking is also available on site or immediately external to Freshwater View.

Located on the ground floor, this apartment is perfectly positioned for interested parties with mobility issues who maybe feel that they're not quite ready for a retirement property just yet. The communal hallway accommodates an intercom system, meter cupboard and letterbox for each apartment. All communal areas are regularly cleaned.

The hallway within the apartment includes a large built-in storage cupboard, perfect for storing hoovers and maidens. Off this hallway is the main three piece family bathroom.

Bedrooms one and two are both doubles and the larger of the two enjoys a modern three-piece shower en-suite.

The open plan living space measures 25 ft 10 by 11 ft 3, an excellent size for entertaining family and friends.

Adjacent is the modern kitchen which includes eye-level and low-level units, one of which houses the combi boiler, fitted appliances including a single oven, gas hob, extractor fan, refrigerator and washing machine.

Northwich town centre is just a short walk across the Weaver bridge, past our office on the Bullring, and home to a range of supermarkets including Waitrose, Asda and Sainsbury and a range of independent cafes, bars and restaurants.
