Property Description

Externally, off-road parking is conveniently positioned to the rear, accessed via the kitchen – immediately setting the tone for the practical layout this home offers.

The heart of the property is the impressive kitchen (5.9m x 4.1m), a superb space for both everyday family life and entertaining. Featuring a Rangemaster range cooker, Belfast sink and integrated wine cooler, this room perfectly blends cottage charm with modern convenience. A useful pantry provides additional storage, while the adjoining utility room (2.1m x 1.4m) offers further worktop space and plumbing for a washing machine. Located off the utility is a downstairs W/C (1.4m x 1.0m), fitted with a two-piece suite comprising low-level WC and wash basin.

Leading from the kitchen is the spacious dining room (5.6m x 3.0m), offering ample space for a large dining table – an ideal setting for hosting family gatherings and special occasions. The staircase to the first floor is also located here, creating a natural flow through the home. Adjacent is the cosy yet generously proportioned lounge, complete with a charming log burner and plenty of room for a large sofa, additional seating and media furniture. A door from the lounge opens directly onto the garden, seamlessly blending indoor and outdoor living.

The rear garden is thoughtfully arranged with a decking area – perfect for relaxing on summer evenings – alongside a lawned section that provides an excellent space for children to play.

To the first floor, the master bedroom (4.2m x 3.9m) is positioned above the kitchen and benefits from excellent proportions, integrated wardrobes and space for a variety of furniture layouts. The room is further enhanced by a stylish three-piece en-suite (2.5m x 2.1m) featuring a walk-in shower, wash basin and toilet, complemented by the luxury of underfloor heating – creating a private and comfortable sanctuary.

Across the landing are two further generously sized bedrooms (4.7m x 3.8m and 4.7m x 3.1m). Rarely do cottages offer bedrooms of such scale, making them ideal as children's rooms, guest accommodation or dedicated home office spaces. The family bathroom completes the first floor and features a beautifully presented three-piece suite, including a rainfall shower over a roll-top bath set on an elevated platform, a stylish sink unit and WC.

Positioned across from the main house are a range of highly versatile outbuildings. A workshop (3.6m x 3.0m) provides the perfect environment for creative projects or those running a business from home. Adjacent is a larger barn space (6.0m x 3.6m), offering fantastic potential as a games room, studio or fully separate home office for remote working. In addition, there are two further sheds, ideal for storage, along with a dedicated log store.

This is a home that effortlessly combines character, space and flexibility – both inside and out – making it a truly rare opportunity in such a desirable location.
