Property Description

Upon entering the property through the front door, you are welcomed into a spacious entrance hall (2.33m x 3.20m), providing access to all ground floor accommodation. Located to the left is a convenient downstairs W/C (0.95m x 1.32m), comprising a wash basin and low-level toilet. Adjacent to this is internal access to the integral garage (5.05m x 5.44m), which benefits from recently installed electric doors (within the last 2–3 years) and a further door leading out to the rear garden.

Positioned at the end of the hallway is the main reception room (4.91m x 3.93m), a generous and versatile living space featuring high-quality engineered oak flooring, solid oak skirting boards, and a remote-controlled Gazco gas fire with a living flame effect, offering both style and efficient temperature control.

To the rear, the property has been significantly enhanced by a stunning lounge extension (7.57m x 3.63m) spanning the full width of the home. This impressive space continues the engineered oak flooring and solid oak finishes, and is flooded with natural light via two roof lanterns (fitted with motorised blinds.) Bi-folding doors with integrated blinds, along with an additional access door, create a seamless connection between indoor and outdoor living—ideal for entertaining family and friends.

The kitchen (2.53m x 4.92m) is located to the front of the property and is fitted with a range of wall and base units, offering ample worktop space across three sides. Both the kitchen and dining area benefit from electronically controlled underfloor heating.

To the first floor, bedroom four (2.41m x 2.12m) is positioned at the front of the property and is currently utilised as a home office, offering flexibility as a guest room or child's bedroom. Both bedrooms benefit from the continuation of the engineered oak flooring.

Centrally located is the family bathroom (2.17m x 2.11m), comprising a three-piece suite including a whirlpool bath with overhead shower, wash basin, and low-level toilet.
