

155 Gaston Bridge Road

Shepperton, TW17 8HB

Asking price £525,000

Offered to the market for the first time in over 50 years and with no onward chain, is this spacious four-bedroom 1950s family home.

Benefitting from a double-storey extension, there is flexible accommodation over two floors. The ground floor consists of a large dual-aspect reception room and the original living room which accesses a dining area overlooking the rear garden. The fitted kitchen leads to a conservatory area which has access to the garden. The ground floor is completed with a guest cloakroom.

The first floor provides four well-proportioned bedrooms, we don't think you will find a bigger master bedroom! It is a fantastic size and has an en-suite bathroom. There is a further family bathroom on the first floor with separate wc.

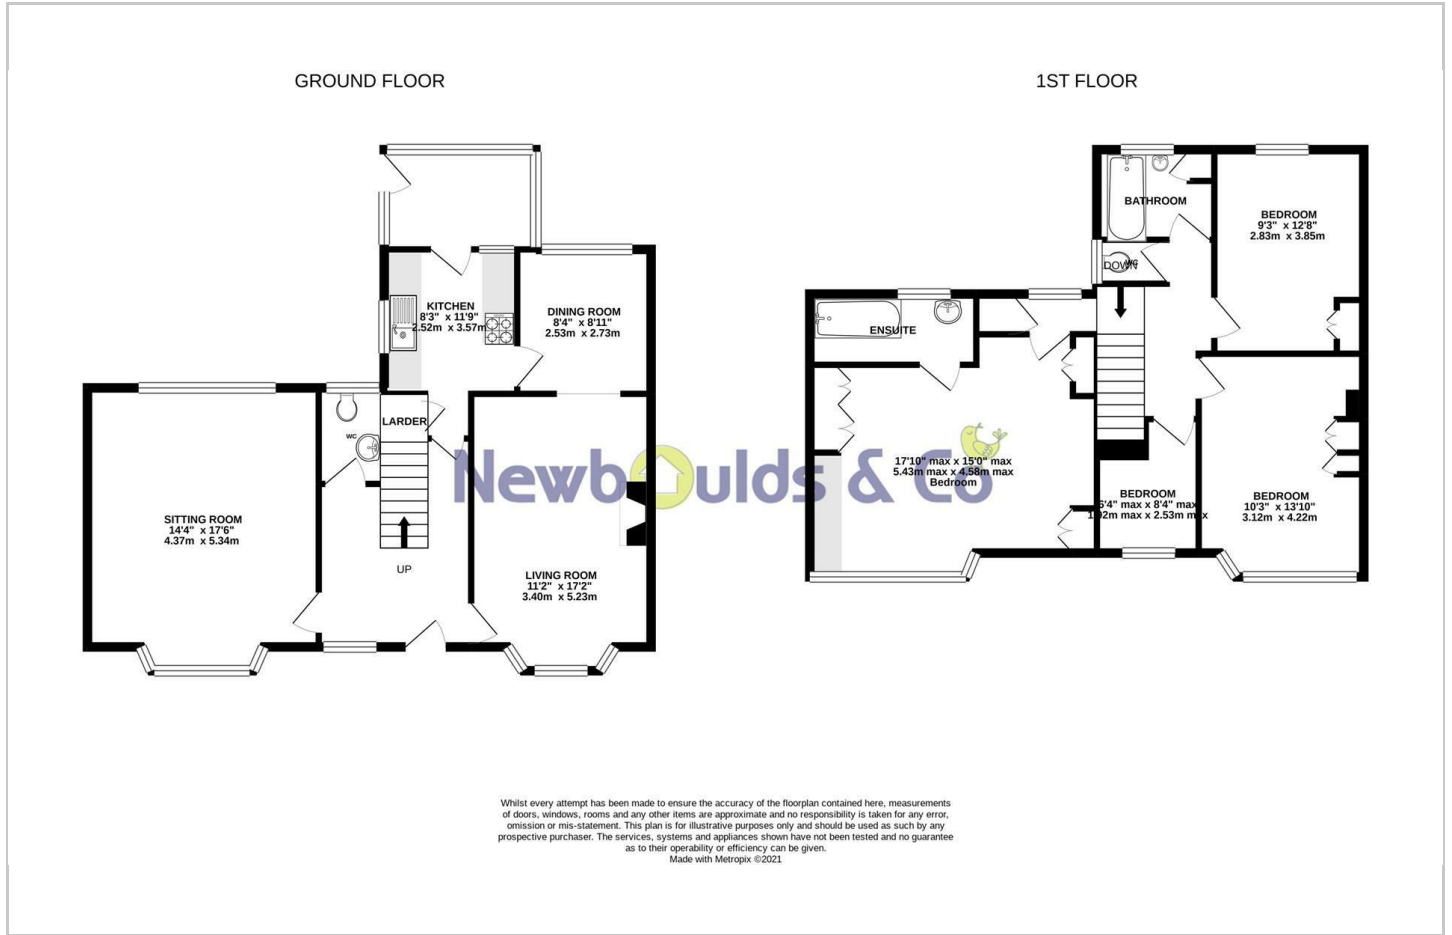

The property has been well maintained by the current owners and the wood-block flooring and mid-20th century fireplace are particularly noteworthy.

With a private garden to the rear and a garage in a nearby block, this makes a wonderful family home, as the current family can confirm. It is now time for a new family to make this their home and create their own memories.
