## Acrefield

Acrefield is a brand new, 4 bedroom detached home built by Elegant Homes—a respected Berkshire developer known for creating individual, high-quality homes.

From the entrance hall, you step into a spacious open-plan kitchen, dining, and living area. The kitchen blends style and function with bespoke cabinetry, Silestone worktops, NEFF appliances, a Rangemaster cooker, and thoughtful extras like a larder, wine cooler, Quooker tap, and American-style fridge/freezer.

Large double doors open out to the private garden, making it easy to enjoy the countryside views and bringing a great sense of space and light into the room.

The sitting room is a calm, comfortable space, centred around a log burner and traditional fireplace. A separate study provides a private space to work. Additionally, there is a cloakroom and utility room on the ground floor.

Upstairs, the main bedroom has its own ensuite and a generous dressing area. There are three more double bedrooms, each with fitted wardrobes. Bedroom 2 also has its own ensuite shower. The family bathroom continues the home's high standard of finish.

## Outside

The property is approached via a shared driveway and features a gate block-paved drive with parking for multiple vehicles. A detached single garage offers additional storage or parking. At the front, a well-maintained lawn and a natural pond add a touch of character and greenery to the setting.

To the rear of the property, there is a spacious patio area, with the remainder of the garden laid to lawn. This presents an excellent opportunity for prospective buyers to personalise the space and create a bespoke outdoor entertaining area that fully capitalises on the attractive rear views.
