Glendale

Sitting in a lovely rural location, high up in the Chiltern Hills, this equestrian smallholding is located in the South Oxfordshire hamlet of Northend. The house was originally constructed in the 1920's, with subsequent later additions, and currently offers accommodation of around 2,800 sqft including 4 reception rooms and three bedrooms.

Planning has been granted for both a new house to replace the existing dwelling, or enlargement of the existing structure and offers a unique opportunity to build a country home with equestrian facilities, in the sought-after Chiltern Hills.

Approached from a country lane, Glendale is set in over 6 acres of land comprising formal gardens of circa 1 acre, with 5 acres of fenced paddocks to the south and north of the property, bordering the Wormsley Estate. There is a double garage and 7 stables, tack room and hay store, situated next to the 60m x 20m manège.

Planning Permission

The property has planning permission granted to replace the existing house with a substantial new dwelling, totalling over 4,900 sqft. A separate application has also been approved to extend the existing property. We understand from the owner that all ecological and wildlife surveys have been completed and approved as part of the planning process.

To view the planning applications please visit South Oxfordshire District Council website.
