3 Freedom Cottages

The cottage is a beautiful character home believed to date back to the early 1900s. It was completely renovated and extended approximately 10 years ago, with a number of further improvements made by the current owners.

It is now a stunning home that seamlessly blends period features with stylish modern fittings, including engineered oak flooring, oak doors, and underfloor heating.

The entrance hall, with its vaulted ceiling, creates a true sense of arrival. The kitchen is fitted with a range of floor and wall-mounted units, granite work surfaces, and island with a breakfast bar, and integrated Bosch appliances. There is also a utility room and a cloakroom. The sitting room is generously proportioned, featuring a wood burning stove with stone surround, a slate hearth, and bi-fold doors that open onto the garden.

Upstairs, the principal bedroom benefits from an en-suite shower room. There are two further double bedrooms, both featuring original cast iron fireplaces, and a further bathroom.

Outside

To the front of the cottage, a paved driveway offers parking for two vehicles. The rear garden is a standout feature, thoughtfully landscaped by the current owners with classic flowering perennials. Bi-fold doors from both the lounge and kitchen open onto a recently installed stone terrace that spans the full width of the house.
