Phillips Smith & Dunn are delighted to offer to the market 4 South View found to be a very well presented 2/3 bedroom semi detached house located in a tucked away position yet within easy walking distance to the village centre.

This delightful home offers comfortable and well-presented accommodation throughout, benefiting from uPVC double glazing, gas-fired central heating, and the added warmth and character of a wood-burning stove in the living room, creating a particularly cosy atmosphere during the cooler months.

The accommodation is well-proportioned and thoughtfully arranged, briefly comprising entrance porch leading into a welcoming entrance hall with a staircase rising to the first floor. From here, access is provided to both the living room and the kitchen/breakfast room. The kitchen has an assortment of base and wall units stylishly finished with navy blue shaker style door fronted units complimented with green modern metro tiles. This flows seamlessly into the double-aspect living room and has direct access leading out into the rear garden, this inviting room has an excellent sociable layout featuring a wood-burning stove that provides a pleasing focal point.

Leading from the kitchen/breakfast room is a useful side lobby, providing additional access to both the front and rear gardens. The lobby also leads to bedroom 3, a versatile room ideally suited as an occasional guest bedroom or ideal as an home office, making the property particularly attractive to those working remotely and require the ability to work from home. An adjoining WC further enhances the practicality of this space.

To the first floor are two generous double bedrooms, both benefiting from built-in storage cupboards. Completing the accommodation is a modern family bathroom fitted with a contemporary white suite.

Outside, the property occupies a good-sized, level plot with a pathway leading to the entrance porch. The rear garden is a particular feature, being predominantly laid to level lawn and enjoying a timber decked seating area positioned in one corner, ideal for outdoor dining and entertaining. Raised flower borders are well stocked with a variety of mature plants and shrubs, providing colour and interest throughout the seasons.

A short distance from the property is unrestricted communal parking, available on a first-come, first-served basis.
