This is an excellent and rare opportunity to bid for a 3 bedroom cottage which requires general modernisation and improvement. However, the cottage offers tremendous scope and potential for the next owner to place their own mark on the property and, when done, will make for a delightful home.

Rose Cottage stands within it's own good size and level garden, in a quiet, tucked away position to the edge of this very sought after village. It is situated in a no through road, so passing traffic is only your neighbour. It is, therefore, ideal for those wanting a private location away from the hustle and bustle of a large town. There is tremendous potential, sub to PP, to extend the accommodation, or build within the plot. Once completed and modernised, this will make for a very comfortable full time property for a growing family, or as a delightful holiday home.

The rooms flow well with an entrance porch to the kitchen/breakfast room. There is a rear porch and useful cloakroom. The sitting room has an inglenook fireplace and door to a good size rear conservatory. Also from the sitting room there is access to the dining room. To the first floor are 3 bedrooms and a well appointed 4 piece bathroom. The property has oil fired central heating

North Buckland is a delightful and typical north Devon village. Close by is the larger village of Georgeham with it's primary school, 2 excellent pub/ restaurants and village shop. Croyde is also just down the road and here there is the world renowned Croyde Bay with it's superb surfing beach. Braunton is 3.5 miles away and here there are good amenities with primary and secondary schools and Tesco super store. Barnstaple, the main town, is a further 5 miles and has excellent town centre and out of town shopping. There is access to the upgraded North Devon Link Road which connects to the M5 motorway at uncton 27. The Tarka Rail Line connects to Extere which picks up the main route to London Paddington.
