Ilfracombe is a picturesque Victorian town nestling on the rugged north Devon coastline which overlooks The Bristol Channel and is surrounded by stunning natural beauty. The town attracts visitors with its mix of coastal scenery, cultural attractions, and outdoor activities. The South West Coast Path offers many miles of superb walking along this stunning coastline. It caters very well for its inhabitants with primary & secondary schools, a choice of super stores, shops, pubs and Michelin Star Restaurants. The award winning Landmark Theatre, with its twin towers, also has a cafe.

One of the main features of Ilfracombe is its picturesque harbour, which is the main focal point of the town. The harbour is home to a fleet of fishing boats, yachts and sailboats, creating a vibrant and bustling atmosphere. Visitors can take leisurely strolls around the harbour whilst enjoying the views and atmosphere, or relax in one of the waterside cafes and restaurants.

Another notable landmark on the harbour, is the stunning sculpture called 'Verity', created by the renowned British artist Damien Hirst, She stands tall to the entrance of the harbor and has become an iconic symbol of the town.
