Overview

This is a very good opportunity to acquire a spacious 2 bedroom house, being a mid terrace of three properties. It sits in a nice, tucked away position in a cul de sac, so there is no passing traffic. The house benefits UPVc double glazing and mains gas central heating. Furthermore, the house can be occupied quickly, as there is no onward chain and the carpets and floor coverings are newly laid.

The house offers light and spacious rooms with newly fitted kitchen and bathroom. You enter through a small porch which opens into the hall with the stairs to the first floor. The large, double aspect living room has a feature arch, bay window and a store cupboard. From here there is access to the newly fitted kitchen which has an oven, hob and door out to the rear courtyard garden. There are lovely views towards the Bristol Channel from the living room, kitchen and the courtyard garden.

To the first floor there is an attractive split level landing, 2 double bedrooms and a bathroom. This too, has just been re fitted with a white 3 piece suite. To the front of the house is a courtyard garden, ideal to transform with pot of colourful flowers and shrubs. There is also a courtyard to the rear with clothes drying area and a good view to Capstone Hill and the sea beyond.

In all, this will make for a comfortable home in a nice tucked away position yet still easy to the town and all it's amenities. We recommend a viewing in order to appreciate the accommodation and to do so at the earliest opportunity to avoid disappointment.

The Area

Ilfracombe is a picturesque Victorian town nestling on the rugged north Devon coastline which overlooks The Bristol Channel and is surrounded by stunning natural beauty. The town attracts visitors with it's mix of coastal scenery, cultural attractions, and outdoor activities.The South West Coast Path offers many miles of superb walking along this stunning coastline. The town caters very well for it's inhabitants with primary & secondary schools, a choice of super stores, shops, pubs and Michelin Star Restaurants. The award winning Landmark Theatre, with it's twin towers, also has a cafe.

One of the main features of Ilfracombe is its picturesque harbour, which is the main focal point of the town. The harbour is home to a fleet of fishing boats, yachts and sailboats, creating a vibrant and bustling atmosphere. Visitors can take leisurely strolls around the harbour whilst enjoying the views and atmosphere, or relax in one of the waterside cafes and restaurants. St Nicolas Chapel is perched on top of Lantern Hill and overlooks the harbour. This is one of, if not the , oldest working lighthouses in the country and dates back to the early C14th.

Another notable landmark on the harbour, is the stunning sculpture called 'Verity', created by the renowned British artist Damien Hirst, She stands tall to the entrance of the harbour and has become an iconic symbol of the town.
