Good Size Gardens Offering Good Degree Of Privacy

We are delighted to bring to the market this attractive 3 bedroom end of terrace house which is offered for sale in very good decorative order throughout. Located in a very sought after and convenient location to the west side of Braunton means that not only easy to the village centre but also to the coast and beaches.

First Field Lane is just off the Saunton Road with similar style houses, however, this has the distinct advantage of benefiting from a very good size garden and off road parking. The house demands a full viewing in order to appreciate the light and airy rooms. The entrance hall has area and understairs cupboards and recess and this leads into a good size living/ dining room. This has a bay window with bespoke shutters and a working log burner. Also, there are sliding doors to the rear, oak style flooring and store cupboards. From here there is access to a very well fitted kitchen with attractive units with appliances including electric hob, and extending filter fan over. There is also a double oven, grill, built in fridge freezer and larder cupboard. The good range of base and wall units offer excellent storage and there is plumbing for both dishwasher and washing machine. From here there is a door to the outside.

To the first floor is a good size landing with ladder stairs to the attic. Here there is good scope to extend , subject the necessary consent, for another bedroom. However, the 3 bedrooms are a good size and decorated nicely and the main bedroom has a feature fireplace The family bathroom is fitted with a white 4 piece suite with seperate shower and half tiled walls.

You approach the house from First Field Lane with lovely tiled steps up to the house. The small front garden has shrubs and a lovely herringbone dry stone wall. Immediately to the rear of the house is a patio with cold water tap. Just beyond is a car parking space with access form the rear of the terrace and around to the lane. The workshop has mains electric and offers excellent storage and there is a delightful summer house which looks down the garden. This offers a good degree of privacy and is mainly laid to lawn with a maturing hydrangea and honeysuckle bush. To the bottom of the garden there is space for vegetable patch or to lay a further patio area for BBQ's and entertaining.

We highly recommend a viewing in order to appreciate the spacious nature of the house, the very well presented rooms and good size garden. Also, its good location to the village and beaches. Furthermore, view early - as this will attract a lot of interest.
