Owners Thoughts:

This has been our family home for almost 30 years and I still remember the cosy welcoming feel it had when we first looked round. We came from a terraced house in the city - it could not have been so different!

We had an amazing time bringing up our 4 children here who attended the lovely village school and then were able to catch a bus to their secondary school from the end of Hewish Lane. We had dogs, guinea pigs, hens, geese, Jacob sheep and reared our own lambs, chicks and goslings. It was a learning curve for us all. The children enjoyed building dens in the garden and nearby woods and helped with growing our own food in the green house and vegetable patch. Excellent parties were held and games were played in our fields. We learned skills of tree felling, log splitting and building with wood as we built our own potting shed, log store and sheep shed. We did have a self-made full-size half pipe at one point too but this gradually wore out! It was great to go on walks from the doorstep through fields and lovely woodland. It is fabulous to enjoy views over the valley, listen to amazing bird song and not be disturbed by noisy neighbours and hopefully vice versa! Inside the house we love the communal living space of the big kitchen and the cosy living space in the sitting room, warmed by the log fire in winter. Dinners for family and friends in the dining hall are an occasion and we love having two staircases. The bedrooms are all a good size and all slightly different adding to the character of HH.

We have enjoyed being part of a small community in the hamlet we live in and the wider community of the Marwood parish.

As all the children have left home we are looking to downsize and live nearer to them. It would be lovely to see our home taken on by another family or developed in other ways to make use of the outbuildings and fields we have.
