## Property Description

Hillcrest is a beautifully presented two double bedroom detached bungalow, ideally situated in a convenient and well-regarded area of Sticklepath, Barnstaple. Offering generous driveway parking for multiple vehicles, a private rear garden and excellent outside storage, this property combines modern upgrades with comfortable and practical living.

The bungalow has been significantly improved within the last five years, with the boiler, electrics, kitchen and shower room all replaced, providing valuable peace of mind for prospective buyers. The home benefits from double glazing throughout and a gas combi boiler, while a log burner in the living room creates a warm and inviting focal point, perfect for cosy evenings.

Internally, a central entrance hall provides access to all principal rooms, creating a well-balanced and functional layout. The living room is bright and welcoming, with a large front-facing window allowing natural light to flood the space. The log burner adds character and charm, making this a comfortable and relaxing reception area.

The dining room sits conveniently between the living room and kitchen, creating an easy flow for everyday living and entertaining. Patio doors lead through to the garden room, enhancing the connection between the indoor and outdoor spaces.

The recently updated kitchen offers a contemporary range of fitted units with complementary work surfaces and integrated appliances. Its practical layout maximises both storage and preparation space, while modern finishes create a clean and stylish environment.

Both bedrooms are generous doubles, offering flexibility for family living, guests or home working. The shower room has also been replaced within the last five years and is finished to a modern standard, featuring a walk-in shower, WC and wash basin in a fresh, neutral design.

A particular highlight of the property is the garden room, which enjoys extensive glazing overlooking the rear garden and benefits from an insulated roof, allowing comfortable year-round use. This versatile space is ideal as a sun room, reading area, home office or hobby room, providing a valuable additional reception area with direct access outside.

The large loft space presents potential for conversion into further accommodation, subject to the necessary planning permissions.
