## Overview

The Amethyst is a beautifully presented, three bedroom detached home that effortlessly combines contemporary design with the warmth and character you'd expect from a property in the heart of North Devon.

As you arrive, the generous driveway parking and attached single garage immediately make a strong first impression, offering practicality without compromising on kerb appeal. Step inside and the quality of the specification is evident from the outset. The ground floor is finished throughout with stylish LVT flooring and benefits from underfloor heating, creating a wonderfully comfortable and cohesive living space across the entire level.

At the heart of the home sits a thoughtfully designed kitchen diner, fully equipped with an induction hob and extractor, integrated dishwasher, washer/dryer, fridge freezer, oven and microwave as standard. A quartz or acrylic worktop adds a real touch of refinement, and with a choice of kitchen finishes available, subject to stage of construction, there is a genuine opportunity to put your own stamp on the space from day one.

The separate living room is equally inviting, and the aluminium bi-fold doors that open directly onto the garden are a real highlight, blurring the line between inside and outside living and flooding the room with natural light.

Moving upstairs, three generous double bedrooms provide comfortable accommodation for the whole family. Two of the bedrooms benefit from their own en-suite facilities, while a well-appointed family bathroom serves the third, all finished with elegant Roca sanitary ware and brushed steel fittings throughout. Carpet to the first floor adds warmth underfoot and a sense of ease.

The Amethyst really does deliver modern living at its very best. With its unique, contemporary design, premium specification and 10 year Advantage warranty giving complete peace of mind, this is a home built for the way people actually want to live today, stylish, functional and effortlessly connected to everything that makes North Devon such a wonderful place to call home.
