Situation

The house has a good sized entrance hall with ample room for coats, shoes etc. To your right you walk into the well proportioned living room which narrows slightly to the dining area. This is a bright, double aspect room with French doors opening out to the rear garden. The kitchen is well appointed with integral double oven, gas hob, dishwasher and fridge freezer. The attractive and contemporary units have ample work surfaces and modern metro tiling. The kitchen overlooks the rear garden, ideal for keeping an eye on young children when playing in the garden. To the first floor you have 3 bright bedrooms. Bedrooms 1 & 2 are doubles, whilst bedroom 3 could either have a single bed or be used as an office.

This family home has the advantage of an enclosed and good size rear garden which is south facing and has been designed with easy maintenance in mind. This is split between a good sized decked area, which is ideal for garden furniture and low maintenance artificial lawn with stone chippings to one side. The front garden is enclosed by a dwarf wall with further artificial turf requiring zero maintenance.

This property also has the benefit of an garage en-bloc within a short distance from the house. We strongly recommend a viewing at the earliest opportunity to fully appreciate this very well presented family home situated within this favoured residential area located to the Western side of the village.
