Family Bathroom

21 Birdwood Crescent is a well-presented and well-appointed modern detached two-storey house, situated within the ever-popular residential development of College Park. Originally constructed by Bloor Homes, the property benefits from uPVC double glazing and gas-fired radiator central heating, and is offered to the market with no onward chain.

The property enjoys an open aspect overlooking the development's amenity area. Phillips Smith & Dunn, as selling agents, strongly recommend an early internal inspection for anyone seeking a comfortable family home, in order to avoid disappointment.

Briefly, the accommodation comprises a canopy entrance porch leading into a welcoming entrance hall, which features a useful understairs storage cupboard and a ground floor WC. To the front of the property is a generously sized lounge, enjoying open views over the nearby amenity area.

To the rear of the house is a full-width kitchen/diner. The kitchen area provides ample storage and a range of integrated appliances, along with a laundry cupboard. It overlooks the rear garden and offers access via sliding doors.

On the first floor there are four bedrooms, two of which benefit from fitted wardrobes. The principal bedroom includes an en-suite shower room, and there is also a well-appointed family bathroom.

Bideford is a popular market town and working port located on the banks of the River Torridge. It offers a good selection of amenities, including a variety of shops, schooling for all ages, and leisure facilities. The Tarka Trail, a popular walking and cycling route, passes through the town and provides stunning views of the river and surrounding countryside.

The A39 Atlantic Highway provides easy access to Barnstaple, North Devon's regional centre, which offers the area's main shopping, business, and commercial facilities.

Outside

To the front of the property is a garden area, partly gravelled and planted with a selection of mature shrubs and bushes. A tarmac driveway provides off-road parking and leads to a detached garage (approximately 19' x 9'), which benefits from an up-and-over door, power and lighting, eaves storage, and a side personal door. Additional unrestricted on-road parking is also available nearby.

The rear garden is fully enclosed and arranged over two levels. The lower level is paved and features a decking area and a timber garden shed. Steps lead up to the upper level, which is laid to lawn with raised beds, along with a further paved seating area with a pergola overhead.

Agents Note:

The property is subject to a service charge payable to FirstPort of £130 every six months. This charge covers the management and maintenance of the communal areas within the development.
